PREFACE

This directory of Chiefs of State and Cabinet members of foreign governments is issued on a bimonthly basis, in February, April, June, August, October, and December. The information contained in each issue will be current as of the date of publication. (The index, however, will not include last-minute changes.) Upon receipt of newer editions, the obsolete directories should be destroyed.

Because it is intended primarily as a reference aid this publication includes as many governments of the world as is considered practicable, some of them not yet fully independent and others not officially recognized by the United States. Regimes with which there are no diplomatic exchanges are indicated by the initials "NDE."

For the convenience of the user, a key abbreviations is included. Governments are listed in alphabetical order according to the most commonly used version of each country's name. The spelling of the personal names in this directory follow transliteration systems generally agreed upon by Government agencies, except when officials use or have stated a preference for alternate spellings of their names or when the news media or official documents issued by an individual's country use an alternate spelling.

NOTE: Although the Central Bank heads are listed for each country, in most cases these individuals are not Cabinet members.
